The Best in Modern Dahlias

STANLEY JOHNSON

Pennypack Gardens

CHELTENHAM, PA.

Foreword

QUALITY:—It is the aim of Pennypack Gardens to introduce dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of sound disease free foundation stock.

REPUTATION:—Show Record—Pennypack's new dahlia, namely "Firegleam", was highly honored in 1950. Both "Paoli Local" and "Whitehall" won the highest honors as "Best of Show". Many blue ribbons were also won in open competition.

PRICE:—All Pennypack dahlias are priced right. Had the 1951 introduction won every prize offered in all our shows—they would still carry a \$10.00 price tag. Policy—high quality, low price.

RESULTS:—You can expect. Winnings for 1950 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens has been carefully conducted. Any dahlia failing to grow properly under ordinary field conditions, does not bear the Pennypack label.
